

Checklist before admission to counter Covid19 infection

Date of admission	Year:2020 Month: July Date: Time of admission: :
Name	
Phone number of representative	

*Any personal information you provide will be used solely to prevent the spread of novel coronavirus infections. It will not be used for any other purpose.

I agree to the handling of my personal information (please check)

【Before you enter the museum】

Please check each category before entering the museum and submit the form to the receptionist. If more than one person is entering the museum, please make sure that everyone checks each category and let one representative fill out the form.

The checklist will be kept for one month so that the health department can be contacted in the event of an outbreak at our facility.

	Checklist of categories	Checkbox
1	I do not have a fever of more than 37.5 degrees (or one degree higher than my normal temperature)	
2	Presence of any of the following symptoms during the last two weeks	/
	a) I do not have any flu-like symptoms such as coughing or sore throat etc.	
	b) I do not have fatigue (malaise) or shortness of breath (breathing difficulties)	
	c) I do not have abnormal sense of taste or smell	
	d) I was never in close contact with a person who tested positive for Covid19	
	e) No one in my family or close acquaintance is suspected of being infected	
	f) I did not travel to countries or regions where the government has placed entry restrictions or a period of post-entry observation, or were in close contact with people suspected of such	
3	I am wearing a mask	
4	I will try to avoid the three Cs inside the facility	

* If any of the categories do not apply to you, you will not be allowed to enter the museum.
